# Master Bowlers Association of Manitoba Inc.

A MEMBER OF THE MANITOBA FIVE PIN BOWLING FEDERATION INC.

## President's Welcome Letter

On behalf of the Board of Directors of the MBAM, it is my pleasure to welcome you back after an extended enforced hiatus to the 2021-22 bowling season.

As in recent seasons, our membership manual will be available on our website, as well as in hard copy at the opening tournament of the season for each division. Please take the time to read and understand the contents of our manual as it contains the rules and regulations of our Association, as well as our expectations of our membership. In particular, please pay attention to the *What's New* page in the manual to see what has changed for the 2021-22 season.

As we are still dealing with the ongoing Covid-19 Pandemic, it is quite probable that public health orders will change at times throughout the season. The Board will endeavour to inform the membership as soon as possible when protocols for bowling centres and for tournaments change, but ultimately the responsibility will fall on the member to know what is expected of them when they participate in our tournaments. If you are ever uncertain about anything pertaining to our tournaments or our Association, please don't hesitate to contact any Board member for clarification. We are here at your service.

The last two years have been a tough time for our Association, our sport, and our proprietor partners. Please make every effort to support our bowling centres and to encourage as many bowlers as possible to join or rejoin our Association. It will be a special time when we can finally all meet together for our Provincial events this season and when we can join our friends from across the country in Edmonton over Canada Day 2022.

In closing, I want to thank the membership for their continued support of the Masters. I wish you all the best of luck and much success this season.

Sincerely,

Tim Hooper  
President, Master Bowlers Association of Manitoba

## **New for 2021 – 2022**

**Membership Fees** If you were a member in the 2019-2020 season, you have a credit of \$50.00 to be used against your cost of membership for the current season, so whatever your cost is for this season, please remit \$50.00 less.

**Final Event Lineage** If you were a member in the 2019-2020 season, you would have prepaid your lineage for the final event (unless you requested a refund), leaving you with a credit of \$40.00. This \$40.00 will be applied to the final event lineage for the 2021-2022 season so do not include it in your fees.

**Declaration Form** Due to the ongoing pandemic, your membership application form for this season will include a Declaration and Acknowledgement of Risk form that must be signed and submitted with your application. There are no exceptions to this. If you do not agree with signing the form, unfortunately you will be unable to join at this time. We do not take the responsibility of the safety of our membership lightly, and believe that we are acting in everyone's best interest in this regard.

**Payment by ETransfer** To eliminate some of the prolonged face-to-face contact during the first event(s), and to minimize the handling of cash, we are providing the option for payment of registration fees by e-transfer to the MBAM bank account (mbmasters2018@gmail.com). It is preferred that all registration fees be paid in this manner to avoid lineups on the day of the event. An application form/declaration must still be filled out and either e-mailed to MBAM or provided in person to complete the registration process. If paying using the instalment option, the first payment should be made by e-transfer, and the balance of the fees by post-dated cheque to accompany the application form/declaration. Accommodations will be made for in-person payment where e-transfer is not an option.

Forms will also be available at the AGM which is scheduled for September 26, 2021 at Varsity View Community Centre - 315 Laxdal Road starting at 11:00am. We will be accepting in person registrations and cash on that day as well.

**If you have any ideas or suggestions that you would like to bring forward to improve or enhance our Association, please submit them in writing to any board member. See the board of directors listing for contact information.**

## **FUNDRAISING**

As the MBAM is a non-profit organization, the association relies heavily on various fundraisers to survive. Each year, our fundraising director is responsible for setting up and administering the fundraising on behalf of the board of directors of the MBAM. **All MBAM members (excluding associate and basic member categories) are required annually to raise a minimum amount of \$100.00 fundraising dollars as set out by the association, unless the \$60.00 cash fundraising option is chosen and paid at time of registration submission.** For current fundraising information and obligations, please contact the fundraising director listed in the Board of Directors directory.

**The MBAM fundraising deadline is January 15<sup>th</sup> of the current bowling season**

\* \* \* \* \*

**A fundraising option is available to all MBAM members and includes the payment of \$60.00 in addition to all membership fees that must be submitted at the time of registration & membership payment**

To supplement our fundraising dollars, during our events Masters typically sells 50-50 draw tickets and sometimes other draw tickets, none of which are mandatory, but help to ensure Masters has the cash to continue to compete at the nationals without expecting the bowlers and coaches to pay large sums out of their own pockets. Please continue to support these fundraising initiatives.

In addition to the fundraising requirement, Masters typically hosts at least one additional fundraising event or program each year that may involve selling tickets to your friends and relatives, and providing donations for a silent auction, and sometimes helping out at the event itself. Please help out your Association in any way that you can when these events come up. It is only through a joint effort of all of the Membership that these events can be a success.

To volunteer, or for any further information please contact any MBAM board member. Additionally, if you have any suggestions for fundraising, please contact the fundraising director listed in the Board of Directors directory.

**\*\*Please read this information package carefully\*\***

## MASTER BOWLERS ASSOCIATION GENERAL RULES

- 1) The MBAM will consist of a senior division, a tournament division, a teaching division, an administrative membership, an associate membership and a basic membership.
- 2) All applications are subject to review and approval by the board of directors of the MBAM.
- 3) All MBAM tournaments will be conducted under the playing rules of the C5PBA and the Master Bowlers Association of Canada.
- 4) A surcharge of **\$25.00** will be charged for any NSF cheque issued. **Members will not be allowed to bowl in any event(s) unless all outstanding funds and penalties owing to the MBAM are reconciled/received, including any charges owed for NSF cheques.**
- 5) Membership fees are to be paid as outlined on the membership and fee schedule.
- 6) All entry deadlines will be strictly observed.
- 7) All applicants must be at least 19 years of age by December 31<sup>st</sup> of the current year.
- 8)
  - a) All members of the tournament, teaching and senior divisions may be required to raise funds through various fundraising events throughout the year.
  - b) Deadline for fundraising is January 15<sup>th</sup> of the current season.
  - c) Any member who does not fulfill his/her fundraising obligations, as determined by the members at the AGM, will forfeit his/her eligibility to represent Manitoba at the Master Bowlers Association National Championships.
  - d) If the fundraising requirement is not met, the balance owing will be carried forward to the following season.
- 9) All members of the Master Bowlers Association of Manitoba must adhere to the dress code set out below for all provincial qualifying events, as well as any youth events conducted by the Master Bowlers Association of Manitoba.

Tops (shirts) – any collared (i.e. golf type) shirt identified with MBAM cresting or lettering. We encourage all members to wear the official provincial shirt during all events, but this is not mandatory. Shirts bearing other provinces' logos and names are not acceptable. ***Clarification: With the creation of custom bowling shirts becoming more mainstream, we acknowledge that many players are wanting to design their own shirts that can be worn during our provincial events. Because the MBA cresting is part of the shirt, it is mandatory that members submit their design to the Board for approval prior to having the shirt created. Please note that the only 2 acceptable placements for the MBA crest are: on the front (chest area), or on either sleeve. This applies to***

***shirts where the crest is part of the shirt and also to cresting attached to any shirt when worn during our provincial events.***

If a shirt is worn under the collared shirt, it must be plain (no logos, crests, printing, pictures), and one solid colour in either black, yellow, or white.

Bottoms – Any solid black: dress slack (no stripes or pattern), “Pace Setter” pant, yoga pant (no coloured waistband), walking or golf shorts, skirts, or skorts. To be clear – the following are **not** acceptable: basketball or gym shorts, tights, leggings, capris, rugby pants, denim, stirrup pants, pants with a gathered or elastic hem, or sweat pants.

Both the tops and bottoms, along with your bowling shoes, should be clean and presentable (not torn or faded) befitting the prestige of the Association.

- 10) Bowlers will change lanes after each game is completed in tournament play.
- 11) Any game missed or frames missed count as a zero score in tournament play.
- 12) The consumption of alcohol is permitted within all divisions, **except** during the Youth Events.
- 13) The use of illegal drug stimulants during a tournament is prohibited. Members under the obvious influence of drugs at the start of a tournament will face immediate disqualification from the current tournament. For subsequent offenses, the board of directors’ decision will be final.
- 14) **Deportment** Inappropriate Conduct or Conduct Unbecoming a Master Bowler includes: swearing loud enough for others to hear, abuse of bowling centre equipment (kicking or hitting ball racks, walls, seating, and scoring devices, pounding floors, and intentional lofting of balls), and loud and/or disruptive displays of negative emotions. This is not meant to discourage cheering, which, we acknowledge, can also be loud at times.

Any behavior found to be inappropriate as detailed above will be dealt with in the following manner:

**Warning #1** – Verbal warning. The offending bowler will be advised of the particular behavior that has caused the warning and will be asked to watch his or her conduct to avoid a further warning. The consequences of a second warning will be explained at this time. The bowler is considered to have been given a “yellow card” at this point.

**Warning #2** – The bowler will be asked to leave the tournament and will be advised that his or her scores will not count – as if he or she had not played the event. The bowler is considered to have been given a “red card” or disqualification at this point. In addition, that bowler will be ineligible to play in the next regularly scheduled tournament that he/she would be entitled to enter as a member of a division/divisions.

If a bowler receives a “yellow card” at more than one event in the same bowling season, he/she will be disqualified from participating in the next tournament, regardless of the division.

If a bowler receives a second “red card” in the same bowling season, that person will be suspended from the Master Bowlers Association of Manitoba indefinitely until such time as he or she can demonstrate to the Board that they have adjusted their behavior sufficiently to warrant their reinstatement as a Master Bowler.

The Board reserves the right to rule on the possible suspension of any member for inappropriate conduct at any time.

In the case of suspension, the suspended bowler has the right to appeal the decision, in writing to the Board.

Warnings may be given by a Judge of Play, the Tournament Director, or any other Board Member present.

In the event that you are asked to leave the premises by the proprietor because of your behavior, you will have been deemed to have received a red card, with all the penalties that implies.

- 15) Any disputes between Master bowlers and the MBAM, other than the disqualification outlined in rule #13, will be settled by the right of appeal in writing by any or all parties.
- 16) Suspension or fining of a Master bowler for conduct detrimental to the MBAM or the sport of 5 pin bowling will be the end result of a written complaint within 30 days of the event and a hearing conducted by the board of directors of the MBAM. The right of appeal in writing by any or all parties is an inherent part of this rule.
- 17) Any member suspended during the season will be liable for any and all financial obligations as laid out for the senior, teaching and tournament division members, during the current year in which the suspension occurred. Failure to fulfill these obligations will eliminate any reinstatement in the MBAM until such time that obligations are paid in full.
- 18) Any bowler is allowed to enter one tournament during the season as a guest in each division of the Masters for which he or she qualifies; not including the last tournament of the season. He/she would be required to pay applicable lineage and would be eligible for prize money only if he/she chooses to participate in that part of the tournament and pays the applicable assessment for the prize money fund. Tournaments bowled as a guest do not count towards national qualifying or toward your Masters average.
- 19) In the event that a bowler qualifies for a national position in more than one division, he/she will advise the board prior to the start of the AGM as to which division he/she will compete for at the Nationals.
- 20) Following the final qualifying game for any of the national contingent positions, if there is a tie for the first, last or alternate position, the individuals concerned must bowl a one game roll off. In the case where all individuals are not present, the tie or ties will be broken by using the highest current season qualifying tournament, i.e. in the teaching and senior division this would be the highest POA; in the tournament division, the highest tournament pin fall.
- 21) Exceptions to any rules and regulations will be made at the discretion of the executive of the MBAM.

- 22) Although not a requirement of membership, the MBAM board strongly encourages all members to obtain and maintain their coaching certification through programs and clinics offered through the Manitoba Five Pin Bowling Federation or the Manitoba Five Pin Bowlers' Association.
- 23) During combined tournaments, where a Master is a member of two or more of the divisions competing, that Master's score will count for each division of which he/she is a member.

## **TOURNAMENT DIVISION RULES & REGULATIONS**

- 1) New male applicants for membership must have a proven minimum average in one or more leagues of **215** subject to approval of the board of directors. New female applicants for membership must have a proven minimum average in one or more leagues of **200** subject to approval of the board of directors.
- 2) The minimum average requirements as outlined in rule #1 will apply to all renewing members, as well as members from other Master's divisions, who wish to compete in the tournament division as a secondary division. In addition to league average, the competitor may use their previous year's Masters average as a means of meeting the minimum average requirement, with a minimum of 24 games.
- 3) Tournament division members agree to participate in tournaments on the Manitoba tour each season. Lineage and any assessments (if applicable) must be paid by the members before the start of the tournament.
- 4) If entering the tournament division it is acknowledged that all membership fees will be prepaid and you will not be reimbursed for any membership fees, even though you may not participate in all of the tournaments (as set by the membership). Any extenuating circumstances shall be submitted in writing to the board of directors for their decision. As a courtesy to the tournament division director, please advise as soon as possible if you are unable to attend a tournament.
- 5) **FORMAT:** Tournament members may compete in up to six tournaments in a season. Each tournament consists of a six game qualifying round. The top qualifier in each of the ladies' and men's events will be awarded stars for winning each of the six tournaments.

We will be having a discussion at the first event to determine how we want to handle the optional prize money for the current season. Stepladder scores do not count towards provincial singles or team positions.

- 6) In case of a tie for the last qualifying spot in any tournament, a complete game will be bowled to break the tie. If it is still tied, a two (2) frame roll-off will be bowled until a winner is declared.
- 7) Six (6) male and six (6) female competitors will qualify to represent Manitoba in the national championships each year. These tournament Masters will be determined by taking the top four (4) tournament scores out of the six possible tournaments. Once the top six (6) men and top six (6) women have been decided using the bowlers' best four (4) tournaments, the singles representatives will be declared by adding the bowlers' next best tournament and recalculating the results so that the top five (5) tournaments are used to declare the singles champions to represent Manitoba at the Nationals. The top male and female Masters obtaining the highest pinfall for the five (5) tournaments will be the singles representatives with the remaining five (5) being the team representatives. This means that to be eligible to be the singles representative, a bowler must have

completed at least five (5) of the six (6) events. Any fundraising requirement must also be met by the stated deadline.

- 8) In the case of a tie for first (using five (5) tournaments) or sixth (using four (4) tournaments) position of the national contingent positions, please refer to rule 20 of the GENERAL RULES.
- 9) Exceptions to any rules and regulations will be made at the discretion of the executive of the MBAM.

### **TEACHING DIVISION RULES & REGULATIONS**

- 1) The teaching division is intended for those members whose prime interest is instructing and coaching.
- 2) Membership is open to all 5 pin bowlers regardless of their average.
- 3) Tournament format is pins over average. Lineage and any assessments (if applicable) must be paid by the members before the start of the tournament.
- 4) Six (6) tournaments will be held, consisting of 6 games each, of which the best four (4) will be used to determine the national team qualifiers. The top five (5) male and top five (5) female teaching division Masters will represent Manitoba in the Masters national championships each year. Once the top five (5) men and top five (5) women have been decided using the bowlers' best four (4) tournaments, the singles representatives will be declared by adding the bowlers' next best tournament and recalculating the results so that the top five (5) tournaments are used to declare the singles champions to represent Manitoba at the Nationals. The top male and female with the highest pins over average for the five (5) tournaments will represent the province as the singles representatives as well as playing on the team. This means that to be eligible to be the singles representative, a bowler must have completed at least five (5) of the six (6) events. Any fundraising requirement must also be met by the stated deadline.
- 5) In the case of a tie for first (using five (5) tournaments) or fifth (using four (4) tournaments) position of the national contingent positions, please refer to rule 20 of the GENERAL RULES.
- 6) If entering the teaching division it is acknowledged that all membership fees will be prepaid and you will not be reimbursed for any membership fees, even though you may not participate in all of the tournaments (as set by the membership). Any extenuating circumstances shall be submitted in writing to the board of directors for their decision. As a courtesy to the teaching division director, please advise as soon as possible if you are unable to attend a tournament.

### **SENIOR DIVISION RULES & REGULATIONS**

- 1) Membership is open to any bowler who has attained or will attain 50 years of age by the start of the National Championships for the current season, regardless of their average.

- 2) Four (4) tournaments of six (6) games each will be conducted each season.
- 3) Senior Division bowlers have the choice of entering to compete using a pins over average (POA) format or a scratch format. Lineage and any assessments (if applicable) must be paid by the members before the start of the tournament.
- 4) If, at the start of any season, there are not sufficient people choosing to play the scratch format to allow for at least 1 player qualifying for the Nationals to be a scratch player (see rules below), those people selecting scratch on their entry form will be given the opportunity to change their selection to POA and to compete in the Senior Division on a POA basis, or to withdraw their entry.

Once you have played an event in any season as a POA or scratch bowler, you cannot switch to the other format for the duration of the current bowling season, but you again have the choice between the two when you register next, and subsequent seasons.

- 5) Based on the best 3 of the 4 qualifying events, the National team will consist of a combination of POA and scratch Seniors. The ratio of POA to Scratch will be based on the % of scratch players versus the total participants in the Senior Division:
  - a) If less than 11% of the total Senior membership is scratch – then no scratch position(s) will be available on the National team
  - b) If 11-30% are scratch-then 1 scratch member will qualify together with 4 POA members
  - c) If 31-50% are scratch-then 2 scratch members will qualify together with 3 POA members
  - d) If 51-70% are scratch-then 3 scratch members will qualify together with 2 POA members
  - e) If 71-90% are scratch-then 4 scratch members will qualify together with 1 POA member

Example #1 – 5 people elect to bowl on a scratch basis and 35 people elect to bowl POA. Because  $5/40$  is 12.5% - rule b) applies and 1 scratch member will qualify together with 4 POA members

Example #2 – 3 people elect to bowl on a scratch basis and 35 people elect to bowl POA. Because  $3/38$  is less than 11% - rule a) applies and there would be no scratch position available. All 5 positions would be POA. In this case – those 3 people would have been advised of this and asked if they still want to play the Senior Division, but the POA format.

This would mean that, assuming rule b), the National Senior Division team would be made up of:

1. Highest Male POA (using 3 out of 4 events)
2. Highest Female POA (using 3 out of 4 events)
3. Highest Scratch (either sex – using 3 out of 4 events)
4. Next highest POA (either sex – using 3 out of 4 events)
5. Next highest POA (either sex – using 3 out of 4 events)

To determine the Senior Singles representative, whoever has the highest POA for their best 3 out of 4 events will be the singles representative. To be clear - For this position only, all players playing scratch will also have their POA calculated for their best 3 of 4 events and are also eligible for this prestigious honor. This in no way makes the scratch players eligible for any tournament stars or prize money on the POA side.

- 6) In the case of a tie for any of the national contingent positions, please refer to rule 20 of the GENERAL RULES.

### **ASSOCIATE MEMBERSHIP**

For Masters who wish to participate in the MBJ tournament only. Associate members are required to wear a suitable uniform as outlined in the general rules and ANY FUNDRAISING WOULD BE GREATLY APPRECIATED ON A VOLUNTARY BASIS.

**\*\*\* Associate members must declare intention to participate by October 31<sup>st</sup> of the current year**

### **ADMINISTRATIVE MEMBERSHIP**

For Masters who wish to let their name stand for a position on the provincial board, but who no longer wish to participate in tournaments.

- 1) Must be a member in good standing for at least 5 years.
- 2) May participate in the MBJ tournament, and optional tournaments as any non member.
- 3) Participation in fundraising is mandatory.
- 4) If elected to the board of directors, may be elected to the position of president and may represent the MBAM on the board of the Manitoba Five Pin Bowling Federation.

### **BASIC MEMBERSHIP**

Starting with the 2018/2019 season, a membership is available to bowlers wanting to maintain their membership in MBAM who, for any number of reasons, are not able/willing to participate in the events as a bowler, by paying the membership fee noted in the Membership and fees schedule. This membership grants the member voting rights at the AGM. ANY FUNDRAISING WOULD BE GREATLY APPRECIATED ON A VOLUNTARY BASIS. A basic membership also entitles the member to play in the Master/Youth events on the calendar each year.

## **MASTER BOWLERS ASSOCIATION**

### **AVERAGE CALCULATION RULES**

- 1) As of the 2014/15 season, we are using a “one average” system, meaning all tournament games bowled, no matter in which division, will count toward a bowler’s Masters average. This one average will be used in all qualifying teaching and senior tournaments on the Manitoba Master Bowlers schedule. While tournament division (scratch play) doesn’t require an average, some of those players also play other divisions, which is why any tournament division games are factored into the calculation. The only exception to this rule is that when a Master may be competing in one division on a Saturday and another division on the next day, the average used for the Saturday will be the average used for the Sunday. It simply isn’t possible to do the calculations and submit the averages in time for play the next day.
- 2) If a bowler has bowled at least 12 tournaments in any combination of the teaching, tournament, and senior divisions, the average used for a tournament will be their tournament average over their last 12 tournaments. If a bowler has not bowled a Masters tournament (teaching, tournament, or seniors) in more than 4 years they will follow the same rules as new bowlers. All tournament games bowled prior to 4 seasons before the start of the current season will be dropped from the calculation. (e.g. for the 2019-2020 season, only tournaments bowled during the 2018/2019, 2017/2018, 2016/17, and 2015/16 seasons will be used). ***Please note: Games bowled in any of the divisions as a guest do not count toward the 12 tournaments.***
- 3) New Master bowlers will use their highest qualifying league average for the first tournament that they bowl in teaching or senior divisions.
- 4) New Master bowlers who do not have a qualifying league average will bowl the first tournament in teaching or senior divisions using the highest average entered for the same gender at that tournament.
- 5) A qualifying league average will be defined as your league average at a specified date with a specified number of games bowled as of that date. (e.g.) For the 1<sup>st</sup> & 2<sup>nd</sup> tournaments of the year in Teaching Division, as noted on the Event Schedule, a qualifying average would be your last year’s finishing average with at least 45 games bowled; for all remaining tournaments the current year league average will be used if the bowler has the minimum number of games as listed on the Event Schedule. If the bowler does not meet the minimum number of games for the average to qualify, they must indicate that when advising the tournament director of their intention to enter the tournament.
- 6) Until the minimum 12 tournaments has been reached, all bowlers must submit all qualifying league averages for each tournament that they participate in by the specified date or a \$10.00 fee will be levied.

- 7) Bowlers who have less than 12 tournaments played and have a qualifying league average will use a composite average for the tournament. The average formula will be:  $((12 - \text{\# of tournaments played}) \times \text{highest qualifying league average}) + \text{total tournament pinfall} / \text{total \# of tournament games} + \text{\# games from league component} = \text{tournament average}$ .
- 8) Bowlers who have less than 12 tournaments played and do not have a qualifying league average will replace the highest qualifying league average with the highest league average for the same sex for the tournament in the formula outline in rule #7.

### **EXAMPLES OF THE RULES**

- A) John Bowler has 12 tournaments on file from the 2017/18 and 2018/19 seasons; his last tournament bowled was in April 2019. His average of these 12 tournaments is 189. His end of season league average is 191. Using rule #2, his average for the first tournament of the 2019/20 season will be 189.
- B) Mary Striker rejoined the teaching division after being away for 4 years. Her end of season averages are 195 and 192 with at least 45 games bowled in each league. The average she will use in the first tournament of the year will be 195 using rules #2 and #3.
- C) Peter Bowler has joined the teaching division for the first time. He did not bowl in a league last year and therefore does not have a qualifying league average for the first tournament of the year, see rule #5. The highest average entered in the tournament for the men is 229 and for the ladies is 230. His average for the tournament will be 229, See rule #4.
- D) Teri Fouler joined last year and bowled 24 tournament games (3 events) with a pinfall of 4,817. Her highest qualifying league average is 189. Her tournament average will be 192, see rule #7.  
 $12 - 3 = 9 \text{ (events)} \quad (9 \times 6) \times 189 = 10,206 \quad 10,206 + 4,817 = 15,023 \quad 15,023 / 78 = 192$
- E) Paula Pocket has bowled 64 tournament games (8 events) over the past 4 years with a pinfall of 12,800 but did not bowl in a league last year due to an injury. The highest ladies average entered for the tournament is 230. Her tournament average will be 208, see rule #8.  
 $12 - 8 = 4 \text{ events} \quad (4 \times 6) \times 230 = 5,520 \quad 5,520 + 12,800 = 18,320 \quad 18,320 / 88 = 208$

## **MASTER/BANTAM/JUNIOR TOURNAMENT**

A \$10.00 team entry fee, along with the names and averages of all team participants competing at the Provincial final are to be forwarded to the MBJ Chairperson by November 15 of the current season. Please contact the MBJ Chairperson for further information regarding dates, locations and times.

A centre with 16 Lane Beds can send no more than 4 Teams to the Provincial Final). - 10) In the case of any road closures due to inclement weather the Provincial final may be a telephone hook-up. All out-of-town roll-offs must be completed by 12:00 p.m. on the day the provincials are bowled. The Provincial final will be held on the second Sunday in December.
- 11) In case of a tie during the Provincial final, the team with the most pins over average in the last game will be declared the winner.
- 12) Any exceptions to the above rules will be made at the discretion of the executive of the M.B.A.M.
- 13) For teams within the City of Winnipeg limits and including Selkirk, if any bowling center does not use their full allotment of teams as defined in Rule 7, their spots will be offered to the remaining Winnipeg and Selkirk centers on a first come/first served basis to a max of 28 teams.
- 14) For out-of-town centers with 6 lanes or less, they will be allowed to advance 2 teams or 25% of their enrolled Bantam and Junior program, whichever is greater. These teams will be allowed to participate in the provincial final via telephone or electronic hookup as per rule 10.
